Hi Gina,
I am mailing the disco packet today...also I have attached a list of standard questions that you could use if you want.
Thanks,
Kate

Hi Kate—thanks for reaching out to me. Sorry the summons was so late. D/C submitted a late breakdown request, which wasn't addressed till quite recently. Anyway, the lab # is [REDACTED]. If you wouldn't mind sending me your disco packet, that would be great. You can fax it if it's easier. My fax # is (781) 897-6776. Let me know if you need directions out here or anything, although it's a pretty straight shot from Boston.

Also, I know some chemist have standard questions that they like to be asked, so if you have/want me to use yours, I am very flexible.

Thanks,
Gina

Hi Gina,

I received a summons for Comm vs. [REDACTED] the other day. Could you please give me the lab# associated with this case? Also, would you like me to send you out a discovery packet with my notes, etc..?
Thanks,

Kate Corbett
